国獣の英語クイズです！英語で説明されている彼らはいったい誰でしょう？

He is a kind of the very big eagle. The color of the body is brown, but a part from shoulder to a head whitens. The name is derived from the characteristic.

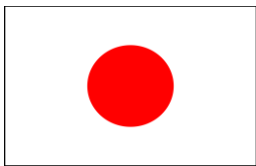

アメリカ合衆国

He is the animal who appears for the national sport of Spain. He has a twin horn and attacks a human being with red cloth using it.

スペイン

He is a bird inhabiting the various parts of Japan except Hokkaido. He appears in the Japanese old tale and goes to the ogres' island with Momotarou.

日本

He has a bag in the abdomen and brings up a child there. He makes full use of a tail and walk to jump. So it is said that he seems to have "five legs".

オーストラリア

Specifically, I do not understand it, but probably he is marine mammals. As a Singaporean symbol, he vomits a large quantity of water from a mouth every day.

シンガポール
